This Christmas season I am so thankful. Thankful to God for giving us His Son and then for His sacrificial death on the cross allowing us to have life. I am thankful for our many international partners who carry this message to as many

people as they can. And, I am thankful for you, who make this work possible. I am also thankful for our staff and volunteers who work so hard to make it all happen. What a wonderful team God has orchestrated!

Many of our international partners often work in dangerous situations and face many hardships. They endure persecution and serve sacrificially and courageously. They do this because they are called by our Lord to share this amazing story of "good news". We are committed to keeping these partnerships going but we need your help. We hope that you will be generous once again and will match or exceed your donations from last year.

You can make a difference in shining Christ's light during this Christmas season by supporting our partners in countries like China, Cuba, Ethiopia and Myanmar. Your donation of \$50 or \$100 will allow Church Planters to bring the Word of God to people who need it desperately, help plant a church, send children to camps, take care of orphans and even start-up micro businesses—and not at just this time of the year, but all year long. Together you, and all of us here at WorldServe, can make this Christmas and the coming year a bit brighter for our partners and people they serve. We pray that God will bless you and your family this Christmas and in 2019.

Sincerely
